If you provide backline please notice:

Regular drums, good condition and with 1 ride, 2 crash and hats. (see channels)

Big bass amp, we prefer Ampeg.

Good guitar amp, big enough, loud enough clean channel. We bring our distortions unless otherwise noticed and agreed.

we don't bring any drunken technicians, no lighting or soundguy. Please get us sober and professional technicians to do the job. Bring big enough P.A and proper monitors and we all are happy.
